

CONNECTED, WE ARE STRONGER.

August 26, 2020

Dear Member of ATU Local 113

Since the outbreak of COVID19 in January 2020, the work of your Union has become more critical than ever before. We face an increasingly tougher fight – to protect our hard-fought collective agreement, our jobs, our health and safety at work.

Together, as a Union, we must work more strategically, effectively and efficiently. This requires us to advance our operations and ensure we all stay connected.

Your Union needs to be able to reach you faster, frequently, cost-effectively and sustainably. As changes take place at a rapid pace, we want to ensure we have a sure-fire way to keep you informed. You can help by ensuring your contact information on your Online Member Profile is kept updated at all times.

Here's what's new:

- To make this easier for you, we have improved the Union website, wemovetoronto.ca, so it's simpler to login and update your information at any time. Signing up for the first time is also now simplified and streamlined. No time-lapses. No manual approvals.

Check our promotional poster for further details and login at wemovetoronto.ca, between August 26 and September 6, 2020, to enjoy a chance to win one of ten Gift Card Prizes on Labour Day.

Connected, we are stronger.

Carlos Santos
President/Business Agent
