## “2SLGBTQ+”

Today marks a step forward for our ATU Local 113 and all its members. With the new Executive Board brings exciting changes for all of us! One of these changes will be the forming of a 2SLGBTQ+\* committee.

I would like to take this opportunity to introduce myself. My name is Gayle Hollett and I'm an operator out of Mount Dennis Garage.

I was fortunate enough to have all the right support from my co-workers, family members and countless others that have helped me move forward. With that love and support it made my transition much easier. However, I also understand that others have not been as fortunate as I was. Therefore, I'm so very pleased to be here announcing that ATU Local 113 will be forming a new 2SLGBTQ+ committee to support all members while focusing on important issues that our 2SLGBTQ+ members face everyday.

With the help of our ATU 113 Local, we will build a team of dedicated volunteers that will work to incorporate more diversity and inclusion initiatives through new ideas and education.

To participate in this new and exciting committee you must have a minimum of 2 years on the job and the passion to be part of this committee!

Please email us your contact information to [2SLGBTQplus.committee@atu113.ca](mailto:2SLGBTQplus.committee@atu113.ca) We look forward to hearing from you!!
